Dear Friend,

I am excited that the Clinton Foundation is partnering with Chicago Cares for the annual Serve-a-thon on Saturday, June 15<sup>th</sup> – the largest single day of community service in Chicago. I hope you will join thousands of your friends and neighbors to help make Chicago stronger and more vibrant.

The Clinton Foundation is grateful to have the opportunity to help make a real impact in Chicago, a city we're honored is hosting the CGI America meeting earlier that week, and we're hoping to gather hundreds of Clinton Foundation supporters to participate in our Day of Action with Chicago Cares. [Will you join us?](#)

There are few things more important than giving back to our communities and strengthening our shared future. It is a passion that drives the work of my parents and me, and that inspired our first Clinton Foundation Day of Action for New York last November, in response to the devastation caused by Hurricane Sandy. And because you are supporter of the Clinton Foundation, I hope it's a passion that you share.

I'm always amazed by the impact we can make when we come together – more than any of us can make on our own. And this June 15<sup>th</sup> in Chicago, by working together, we can help revitalize neighborhoods, create stronger and safer schools, and give hope to those in need.

That is why I sincerely hope you will join me for a Day of Action with Chicago Cares – to come together with thousands of people to make an immediate and direct impact on your city.

**Please register today.**

Thank you again for all your work to build a stronger and more equitable world.

Hope to see you on June 15<sup>th</sup>!

Thank you,  
Chelsea Clinton
