

He has run spy rings to spy on us and destroyed our printing presses and dumped out our ink to undermine any forms of communication between us.

He has imprisoned colonists in other countries without due process of law.

He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operations till his Ascent should be obtained; and when he suspended, he has utterly neglected to attend to them.

He has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to TYRANTS only.

He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their public records, for the sole purpose of fatiguing them into compliance with his measures.

He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the Rights of the People.

He has refused for a long time, after such dissolutions, to cause others to be elected; whereby the Legislative Powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the meantime exposed to all the dangers of invasion from without, and convulsions within.

For depriving us in many cases of trial by jury:

For transporting us beyond seas to be tried for pretended offenses:

For abolishing the free system of English Laws in a neighboring Province, establishing therein an Arbitrary Government, and enlarging its boundaries so as to render it at once an example and fit instrument for introducing the same absolute Laws into these Colonies.

For taking away our Charters, abolishing our most valuable Laws and altering fundamentally the Forms of our Governments:

For suspending our Legislature, and declaring themselves invested with Power to legislate for us in all cases whatsoever.

He has abdicated Government here, by declaring us out of his Protection and declaring War against us.

He has plundered our seas, ravaged our Coasts, burnt our Towns, and destroyed the Lives of our People.

He is at this time transporting large armies of Foreign Mercenaries to complete the works of Death, Desolation, and Tyranny, already begun with circumstances of Cruelty & Perfidy scarcely paralleled in the most barbarous ages, which is totally unworthy of the Head of a Civilized Nation.

He has constrained our fellow citizens and taken captive on the High Seas to bear Arms against their own Country, so that they will become the Executioners of their Friends and Brethren, or to fall themselves by their Own Hands.

He has excited domestic insurrections amongst us, and endeavored to bring on the Inhabitants of our Frontiers, the Indians whose known rule of warfare was destructive to us.

He has endeavored to prevent the population of these States; for the purpose of obstructing the Laws of Naturalization of Foreigners; refusing to pass others to encourage their migration hither, and raising the conditions of new Appropriations of Lands.

He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary Powers.

He has made judges dependent on his Will alone for the tenure of their offices.

He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our People; and eat out their substance.

He has kept among us, in times of peace, Standing Armies without Consent of our Legislature.

He has affected to render the Military Independent of and Superior to the Civil Power.

He has combined with others to subject us to a jurisdiction foreign to OUR Constitution, and unacknowledged by our Laws; giving HIS ASSENT to their acts of Pretended Legislation.

For quartering large bodies of armed troops among us:

For protecting them, by a mock Trial, from punishment of any Murders which they should commit on the Inhabitants of these States:

For cutting off our Trade with all parts of the world:

For imposing taxes on us without our consent:
