

EVENT 1: STOP RAUNER'S TURNAROUND AGENDA on Thursday, June 25, 2015, at 6:30 p.m.

WILLIAM MCNARRY, Executive Director of Citizen Action will give us the facts on the Rauner budget, Rauner's plans to destroy worker's rights, destroy the middle class and most of our social programs, and what we can do about it. Bring everyone you know. It's critical that we all hear what he has to say and what the corporate media won't tell us. There's plenty of room for several hundred people.

PLEASE RSVP Julie@citizenaction-il.org

We planned this event at **The Irish American Cultural Center**, 4626 North Knox, Chicago, because it's easy to get to from just about anywhere in the Chicagoland area. The event is free, it's convenient, and we will have pizza by the slice and cold drinks for sale, and a cash bar available. Donations will be greatly appreciated to help pay for the room.

EVENT 2: THE COALITION TO RESTORE DEMOCRACY on Wednesday, July 15, 2015, at 6:30 p.m. at the Century 12 Theater in

Evanston, 1715 Maple Avenue, will be showing "**SHADOWS OF LIBERTY.**" This is one of the best documentaries out there. Learn how our media and the message have been taken over by big money and political extremists. <https://www.tugg.com/events/25623>
This event is a fundraiser for the Coalition and General Admission is \$11.00 with levels of donations. There will be a Q and A after the movie. The invitation itself has an error on the start time. It does start at 6:30 p.m. Hope you can be there and support our efforts to get big money out of politics, to overturn Citizens United, and work for election reform.

EVENT 3: THE 2015 JUSTICE PROJECT: THE MARCH CONTINUES

Is a family-friendly event on **Sunday, July 26, 2015** at the **Winnetka Village Green** to reignite the spirit of social justice in all of our communities. The 2015 Justice Project is honoring the 50th anniversary of when **Open Communities'** forerunner, the North Shore Summer Project, brought Dr. Martin Luther King, Jr. to the North Shore for a rally on the Winnetka Village Green that attracted over 10,000 people. On July 25, 1965, Dr. King exhorted the crowd to "live together as brothers or perish together as fools.

There will be music, arts and crafts, and children's activities courtesy of The Kohl Museum throughout the afternoon, and a one-woman play before the event officially starts. It is an opportunity to recapture the northern suburb residents' desire for social justice and for every individual to get involved. The 2015 Justice Project redefines "community" as not just our individual northern suburbs but "the beloved community" where we care for one another – in other words, to create a new relational culture in the northern suburbs that says "we're all in this together."

One way to help us put this historic event together is to go to **INDIEGOGO** and donate whatever you can. **YOUR DONATIONS TO THE JUSTICE PROJECT ARE TAX-DEDUCTIBLE. OPEN COMMUNITIES IS A 501(C)(3).** Just cut and paste this address in your browser, or go directly to **Indiegogo** type in "**Justice Project**" in the search bar. Watch for more info in the next few weeks.
