**DON'T LET DRUG CORPORATIONS  
KEEP PRESCRIPTION PRICES OUT OF REACH.**

**CALL CONGRESS NOW, BEFORE IT'S TOO LATE.**

Too many seniors have had to cut their pills in half or skip doses. H.R. 3 will lower the price of prescription drugs by requiring Medicare to negotiate with drug corporations. Drug corporations are spending millions on lobbyists to stop H.R. 3—they can't be the only voices Congress hears!

**CONGRESS IS VOTING ON H.R. 3 ANY DAY.**

**Here are two things YOU can do:**

**Call Congress at  
1-866-685-7833**

**Text RX to  
237-263**
