

# ***STAND UP FOR FEDERAL WORKERS & VETERANS HANDS OFF OUR VA!***

## **STOP the PLAN TO CUT 80,000 positions**

### **Their plan?**

To strip away our dignity, erode our staffing and our rights in order to starve the VA system.

### **The result?**

Billions of federal dollars dedicated to our budgets funneled to the private sector at a higher rate to the taxpayers due to a lack of workers with specialized knowledge.

### **Our plan?**

We will fight to maintain the integrity and functionality of our government systems and the work that is paramount to keep our nation running!

We stand together against the vicious attacks on the VA System and the rights of all federal workers.
